Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Thursday 14 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Most places dry, sunny on Friday. Cooler with light winds.

This Evening and Tonight:
Rain clearing southern Scotland and cloud mostly melting away leaving a cool, clear night ahead. A widespread frost will develop later tonight in more rural areas as winds fall light.

Friday:
Noticeably chillier than recent days, but a dry, bright day with a lot of autumnal sunshine for most of the country. Cloudier, breezy over Northern Isles with a few showers.

Outlook for Saturday to Monday:
A windy weekend but a dry, bright start Saturday, rain spreading east during afternoon. Cloudy with rain in the northwest Sunday, milder on Monday but cloudy with patchy rain.
